

Aria Doorbell Pro — Owner's Manual

Aria Home · SKU ARIA-DBELL-PRO · camera · \$249

This manual covers the Aria Doorbell Pro (model ARIA-DBELL-PRO) only. Other Aria products have their own manuals; procedures and error codes are not interchangeable between models.

1. Specifications

Video	2K (2560×1920) with dual-band HDR
Field of view	180° horizontal
Detection	radar-based 3D motion with package detection
Audio	two-way talk, pre-recorded quick replies
Power	hardwired only, 16–24 V AC, 30 VA transformer

2. In the box

Doorbell Pro, bracket, wedge kit, transformer bypass module, screws.

3. Setup

1. The Doorbell Pro has no battery; it must be hardwired to 16–24 V AC.
2. Install the bypass module in your chime box; this replaces the diode used by the standard Doorbell Cam.
3. Mount at 48 inches and scan the QR code on the rear.

4. Status light

Blue ring: live.

Amber ring: transformer under 16 V.

White breathing: pairing.

5. Power and battery

Aria Doorbell Pro: Hardwired 16–24 V AC, 30 VA minimum. No battery.

6. Troubleshooting

Aria Doorbell Pro — Reboots when the chime rings. Transformer is below 30 VA; replace with a 16–24 V, 30 VA transformer.

Aria Doorbell Pro — Package detection never triggers. Draw a package zone at least 2 feet square on the ground plane in Motion settings.

7. Error codes

Aria Doorbell Pro error P-02: Bypass module missing — chime will not ring.

Aria Doorbell Pro error P-11: Radar calibration failed — remove the doorbell and reseal it flat on the bracket.

8. Factory reset

To factory reset the Aria Doorbell Pro: Hold the orange button on the back for 15 seconds until the ring turns amber.

9. Warranty and compatibility

The Aria Doorbell Pro carries a two-year standard warranty covering manufacturing defects, from the delivery date. Unwanted returns follow the Aria Home returns policy: 14 days from delivery for the Aria Doorbell Pro (security devices have a 14-day window). Damage caused by the customer is handled as a warranty repair, not a refund.

Works with: Aria app, Aria Video plan, Google Home, Amazon Alexa, Apple Home via Aria Hub.
