

Smart Sensor four pack — Owner's Manual

Aria Home · SKU ARIA-SENSE-4PK · sensor · \$99

This manual covers the Smart Sensor four pack (model ARIA-SENSE-4PK) only. Other Aria products have their own manuals; procedures and error codes are not interchangeable between models.

1. Specifications

Contents	four Aria Smart Sensors (door/window contact) with magnets
Detection	magnetic reed contact, gap up to 0.75 inch
Radio	Zigbee 3.0 via the Aria Hub
Battery	1 × CR2032 each, about 18 months
Extras	vibration sensing for glass break alerts

2. In the box

4 Smart Sensors, 4 magnets, adhesive pads, 4 CR2032 batteries.

3. Setup

1. Mount the sensor on the frame and the magnet on the door, arrows aligned, within 0.75 inch.
2. Pull the tab on each sensor and add them one at a time in the app.

4. Status light

Blue blink: open/close event during setup.

Red blink: battery low.

5. Power and battery

Smart Sensor four pack: 1 × CR2032 per sensor, about 18 months.

6. Troubleshooting

Smart Sensor four pack — Sensor shows Open when the door is closed. Gap between sensor and magnet exceeds 0.75 inch or the arrows are not aligned.

Smart Sensor four pack — Glass break alerts from wind. Set Vibration sensitivity to Low; sliding doors rattle.

Smart Sensor four pack — One sensor of the four will not pair. Remove and reinsert the CR2032 with the + side up, then add it alone.

7. Error codes

Smart Sensor four pack error SS-02: Magnet not found during setup — check alignment.

8. Factory reset

To factory reset the Smart Sensor four pack: Hold the sensor's pinhole button for 5 seconds until the light blinks blue three times.

9. Warranty and compatibility

The Smart Sensor four pack carries a two-year standard warranty covering manufacturing defects, from the delivery date. Unwanted returns follow the Aria Home returns policy: 30 days from delivery for the Smart Sensor four pack (most devices have a 30-day window). Damage caused by the customer is handled as a warranty repair, not a refund.

Works with: Aria app, Aria Hub (required).
